The Foundation

The Kentucky Real Estate Education Foundation (KREEF) was incorporated in March 1990 to serve as the educational arm of the Kentucky Association of REALTORS®. The Foundation is dedicated to providing education, services and research for members of the Kentucky Association of REALTORS®, Kentucky real estate licensees and the public.

The general purpose and mission of the KREEF is “to enhance real estate professionalism and knowledge by providing quality educational services and programs for the real estate industry and the public”.

The Trustees of the Foundation are continuously reviewing the potential to determine various meaningful projects with one important endeavor being annual scholarships. The scholarship funds will assist students in meeting the costs of higher education in Kentucky.

Scholarships Available

The KREEF Trustees award scholarships on an annual basis depending on a variety of factors. The total number of scholarships awarded will be determined by the Trustees.
