Dear Representative / Senator [Last Name]:

As a member of the Kentucky Association of REALTORS®, I write to ask your support for H.B. 1001, the bill to establish a \$100,000 dollar tax credit for first-time homebuyers. This bill is sponsored by Representative Sharp and is awaiting consideration in the State Government Committee.

This bill is important to my business because enacting a tax credit for first time homebuyers would encourage more families to move to Kentucky, provide a wider range of housing opportunities, and enhance the economic viability of our communities. As you may know, REALTORS® are committed to advancing home ownership and helping build strong communities here in Kentucky. H.B. 1001 would significantly increase my ability to help connect families with new homes and attract more people to our great state.

The Kentucky Association of REALTORS® represents more than 11,600 members statewide who are involved in all aspects of real estate. We are committed promoting and protecting equal housing opportunities and private property rights. Once again, I urge your support of H.B. 1001, the \$100,000 dollar tax credit bill. Please do not hesitate to contact me if you have any questions or if I can be of assistance

Sincerely,

James Sharp
